To: Spears® Manufacturing Company FlameGuard® Distribution Partners

RE: 2026 Price Increase Notification – FlameGuard® Fire Protection Products

Due to increased costs associated with the manufacturing, distribution and support of our FlameGuard® Fire Protection Product line. Spears® Manufacturing Company will initiate an increase on certain FlameGuard® CPVC pipe, fittings, adapters and valve products.

Effective January 5, 2026 the following list price increase will be instituted:

- All Spears® FlameGuard® CPVC pipe, standard fittings, valves and ancillary products will increase by 7%. This includes Product Groups 070, 071, 077, 078, 079 and 134.
- Spears® FlameGuard® Head Adapters will increase by 10%. This includes Product Group 076.

Orders at current list prices will be accepted for invoiced shipments on or before Noon, local time on December 31, 2025; and will be valid on available stock. Please note that no future-ship orders will be accepted.

Spears® Manufacturing Company reserves the right to revision or refusal of orders at our discretion.

We appreciate your understanding and continued support. If our team can be of any assistance or if you have any questions, please contact your local Spears® Representative.

Sincerely,

A handwritten signature in black ink that reads "Matt Baker".

Matt Baker
